

**If you like *The City of Ember*, try reading...**

**The Angel Experiment: Maximum Ride book 1** – James Patterson *Fic Pat*

Max and her friends are unique – they can fly and have other special powers because they were genetically modified. Now they have to escape the doctors that want them back. And save the world!

**The Hunger Games** – Suzanne Collins *Fic Col*

In a future United States, teenagers from each territory must fight to the death in the Hunger Games while the world watches on television. Katniss takes her sister's place in the games and must learn to fight and kill if she wants to be the only one left alive. Awesome!

**Uglies** – Scott Westerfield *Fic Wes*

Tally can't wait until she turns 16 and gets the operation that changes her from an Ugly to a Pretty and she can party all the time. But not everything is right in this future society and Tally is forced to spy on her best friend. Will she turn her in?

**Gone** – Michael Grant *Fic Gra*

One minute is a normal school day and the next all the adults and kids over 13 suddenly disappear. Sounds good? Not so much. The kids who are left start developing strange powers and discover that they are trapped by an invisible wall. Food starts to run out and bullies – and heroes – start to emerge. Disturbing!

**Ender's Game** – Orson Scott Card *Fic Car*

Ender Wiggins is a boy military genius who has been trained all his life to make sure that when the aliens attack earth again, humans will win. Exciting!

**Unwind** – Neal Shusterman *Fic Shu*

Between the ages of 13 and 17, parents can decide to have their kids "unwound" and have their organs harvested and donated to others. Follow the lives of three teenagers who escape as they are being sent to the harvest camp.

**The Dangerous Days of Daniel X** – James Patterson *Fic Pat*

Daniel is an orphan – his parents were killed by evil aliens. But Daniel has a secret identity. He has amazing powers and is a superhuman alien hunter. Lots of action!

**The Adoration of Jenna Fox** – Mary E. Pearson *Fic Pea*

Jenna wakes up from a coma after a year her car accident – and makes some strange discoveries. Why has her family moved her far from their home? Why can't she remember her past? What has been done to her? Suspenseful and thrilling.

**Compound** – S.A. Bodeen *Fic Bod*

15-year-old Eli has spent half his life in the underground shelter his dad built when a nuclear war destroyed the world he knew. There are nine years left before they can go above ground, but they're already running out of food...and Eli's dad is acting creepy...Suspenseful!!

**Life as We Knew It** - Susan Beth Pfeffer *Fic Pfe*

When an asteroid hits the moon and knocks it into an orbit closer to earth, the world is shaken by earthquakes and volcanoes and thousands of deaths. Miranda thinks it won't affect her family – but when the power goes off and people fight over food and the weather becomes extreme, she knows she is wrong. Will she survive?

**Among the Hidden** – Margaret Peterson Haddix *Fic Had*

Luke is the third child in a society where having more than two kids is illegal and he has to live in the attic. When he sees a face in a house across the way, he wonders if maybe he's not the only hidden child – but what can they do against the government?

**A Wrinkle in Time** – Madeleine L'Engle *Fic Len*

Meg, her brother Charles Wallace, and their friend Calvin travel through space and time to rescue her scientist father from a terrible evil. On their journey, the kids visit strange planets and meet beautiful, weird and monstrous creatures. An amazing read!
