

If you like Twilight, try reading...

Peeps – Scott Westerfield *Fic Wes*

16-year old Cal is “parasite-positive” - a peep. But he never turned into a full-blown vampire. Now he works for the Night Watch killing the insane cannibal peeps that live in New York City. Soon he learns that even worse things are coming to his city... Great read!

Shiver – Maggie Stiefvater *Fic Sti*

Grace loves the woods around her home, and has a childhood memory of a wolf who saved her when she was little. When she meets Sam, she realizes he is the wolf in human form. Romantic and exciting!

Vampire Kisses – Ellen Schreiber *Fic Sch*

Raven is a goth girl living in the middle of nowhere. Her life is boring until one day, the handsome Alexander shows up living in the old mansion on the hill...Could he be a vampire?

Evermore (The Immortals series, book 1) – Alyson Noel *Fic Noe*

Ever survived the car crash that killed the rest of her family, but now she can hear the thoughts of everyone around her. She tries to shut out the noise until a new boy at school, Damen arrives. What is his secret?

Great and Terrible Beauty – Libba Bray *Fic Bra*

When Gemma’s vision of her mother’s death comes true, she is sent to boarding school in England. There she has no friends until she discovers a magical way to enter the visions she keeps seeing. Mysterious!

Forest of Hands and Teeth – Carrie Ryan *Fic Rya*

Zombies roam the woods beyond the compound where Mary lives. When the fences are breached by the undead, can Mary escape? Is anywhere safe?

Beautiful Creatures – Kami Garcia *Fic Gar*

Ethan is frustrated with the kids in his small town high school until he meets the new girl, Lena whom he has been dreaming about. Filled with dark secrets and a battle between good and evil.

Hex Hall – Rachel Hawkins *Fic Haw*

Sent to hex hall – a boarding school -- because she can’t control her magic, Sophie makes enemies of three mean girls, has a crush on a warlock, and discovers that a mysterious creature is killing students one by one. Good read!

Wicked Lovely – Melissa Marr *Fic Mar*

Faeries don't like it when humans can see them, so Aislinn and her grandmother hide their abilities. When two faeries start stalking Aislinn they want something for her. Can she avoid the danger?

The Summoning (Darkest Powers series book 1) – Kelley Armstrong *Fic Arm*

Chloe has the power to see dead people but she is diagnosed with schizophrenia and sent to a group home. She learns that the other teens there have special powers of their own and the people running the home have an evil plan. Can she escape?

Marked (House of Night series book 1) – P.C. and Kristen Cast *Fic Cas*

Sixteen-year old Zoe Redbird is marked by the Goddess Nyx and moves to the House of Night, a school for vampires. There she finds acceptance and danger.

Evernight – Claudia Gray *Fic Gra*

Bianca isn't beautiful, rich, or gifted, so she's not looking forward to starting school at the Evernight Academy, but when she meets good-looking Lucas, things aren't so bad. Or are they? Everyone has secrets at Evernight...

Vampire Diaries – L.J. Smith *Fic Smi*

Stefan is a good vampire but his brother Damon is a bad boy. Both of them have vowed to love the innocent high-school student Elena, but which will she choose? Romance and dark fantasy! Great series!

Keturah and Lord Death – Martine Leavitt *Fic Lea*

Lost in the forest and close to dying, Keturah challenges Lord Death, telling tales of love and fantasy until he lets her live one more day...then one more day...but how long can she last?

City of Bones (Mortal Instruments series, book1) – Cassandra Clare *Fic Cla*

Clary discovers that she has the ability to see creatures in the magical world that exists right alongside the human world – she is a Shadowhunter. When her mother is kidnapped she has to join forces with another handsome Shadowhunter to find her. Exciting!

Need – Carrie Jones *Fic Jon*

Zara notices that things are unusual in the small town she has moved to...she falls for a werewolf and learns that she is being pursued by a dangerous pixie king!

Dead is the New Black – Marlene Perez *Fic Per*

Daisy and her two psychic sisters get to work when they learn that that something is killing the cheerleaders in their school! Funny and spooky!
